

St. Mary's
Medical Center

**Meet Reverend Father
Alex Okoro, Ph.D.,
a full-time Priest with our Chaplain Program
at St. Mary's Medical Center.**

Father Alex recently celebrated his 51st anniversary of joining the seminary at The Seminary High School in Nigeria - on January 25, 1973. Out of his class of 91 students, he was the only one ordained a Catholic Priest on August 9, 1986. When asked how he remains so positive in his calling, Father Alex simply smiles and says, "I am always happy".

St. Mary's offers Spiritual Care services to all walks of faith and is always available for comfort and prayer, to include mass Sunday - Thursday at 11:00 am and an open non-denominational chapel.

Other Chaplains at St. Mary's include Chaplain Katie Chepulis, Chaplain Kelly Hanson, Chaplain Rachael Borger, Chaplain Jim Tolliver, and Father Dave Holloway.

St. Mary's Medical Center is honored to be Your Community Hospital.
